Manufacturer [Mustang Nozzles Australia](#)

Description

The new 3/8" Grease Ball Nozzle has more pure thrust than any of the other nozzles in the Mustang range when used on a 3/8" hose.

It features 8 rear thrusting jets at 20 degrees giving it massive force down a drain.

Please note, this nozzle is for Jetters with a minimum flow rate of 25LPM up to 45LPM.

Made in Australia from hardened Stainless Steel for long life and comes with a Lifetime Manufacturers Warranty.

This part comes complete with Quick Release Tail (P#HT12M).
