Description

Negotiator Penetrator Complete Nozzle

The Negotiator Penetrator Nozzle was designed with traps and gullies in mind. The round short head allows the nozzle to pull the hose around a waste trap/gully without getting caught on most joints. It also makes a great 'general all round' penetrating nozzle. It has 3 big rear thrust jets and one forward penetrating jet.

Nozzle comes with SS Quick Connect Nozzle Adaptor with 1/4" Cone.

Made from Hardened Stainless Steel.

1/4" F BSP
