Manufacturer\_

Description The 3 Ply protective disposable face mask will provide effective protection against dust, fog, bacteria, pollution, pollen and infectious pathogens.

- Convenient 50 pack & universal size fitting
- 3 Ply filtration for better protection
- Multi-use: Flu/virus protection, dust protection, general maintenance.

The 3 Ply Protective Disposable Face Mask provides effective protection against a whole host of general pathogens and pollutants in the air by covering the nose, mouth and chin for full coverage.

The mask features 3 ply filtration - an outer face, which provides the protection barrier, and an inner face that assures comfort and breathability
